

Please join education students from the University of Mount Union for a “STEM Story Time” themed Family Science Night on Thursday, April 12 from 6:30 - 8:00. Activities will be geared towards to students in kindergarten through fifth grade, and older and younger siblings are welcome to join in the fun.

Activities will include fossil making, bridge building, and hovercrafts. Featured books will include 21 Elephants, The Marshmallow Incident, and Rosie Revere Engineer.

Please note that Family Science Nights are intended to be fun and educational events. In order to maintain a safe learning environment, parents are expected to supervise their children at all times.

Please [click here](#) to respond so that the students have enough materials.
