

Hello CCDS Families,

As we move towards the upcoming school year, I would like to inform you of a few changes reflecting the lunch program.

The ordering and payment process is available through RenWeb/ParentsWeb. This will provide a convenient resource to order and pay for lunches through your ParentsWeb account. Our lunch options will be clearly reflected and easy to order through your account.

As you order your lunch preferences, keep in mind the options that are available. In addition to the reflected entrée each day, your child can choose an alternative menu item. These items are a turkey breast sandwich with cheese, or organic hard-boiled eggs. These items do not have to be pre-ordered, the student can choose what they prefer as they move through the lunch line.

We will serve fresh fruit and vegetable where students can enjoy additional servings at no extra charge.

Instructions to order and pay for lunches and snacks have been sent to all CCDS families.

The August menu, which only includes a few days, and the September menu will be available to place orders on the evening of August 10<sup>th</sup>. The deadline to place orders for both months will be August 28<sup>th</sup>. You will need to access both of the menus for each month.

We ask for your patience as we launch this new program, as we may be addressing some unforeseen issues.

It has been my pleasure to serve as the your school Chef, and I'm please to be returning for my seventh year.

As always, if you should have any concerns or questions, do not hesitate to contact me at your convenience.

Sincerely,

Chef Frank
